ABOUT ME

Writer, Producer, and Cinematographer with expertise in video production, post-production, and motion design. Skilled with Canon and Sony cameras, lighting setups, and solo or collaborative production environments. Passionate about storytelling that reflects clarity, purpose, and faith. U.S. Navy veteran with a disciplined approach to craft, leadership, and service.

WORK EXPERIENCE

CREATIVE ASSISTANT

Liberty Church/Cleveland/2024-2025

As part of the creative team, I specialize in crafting visual content that captures attention and tells compelling stories. My role spans across video production—filming and editing high-quality video content—as well as designing dynamic social media graphics and motion graphics that elevate brand presence. From concept to final cut, I contribute to every stage of the creative process, ensuring each piece aligns with the vision, message, and impact we aim to deliver.

ENLISTED BUILDER

U.S. Navy/San Diego/2014-2024

Served 10 years in the U.S. Navy as a Seabee, specializing in construction, logistics, and mission-critical operations in both domestic and overseas environments. Demonstrated leadership, adaptability, and discipline in high-pressure situations while supporting humanitarian efforts, infrastructure development, and expeditionary operations. Gained valuable experience in team coordination, problem-solving, and cross-functional collaboration—skills that now inform my work in creative production with precision, resilience, and purpose.
